**APPLICATION FOR ACCREDITATION
OF CONTINUING EDUCATION ACTIVITIES FOR RECERTIFICATION AS A
NONCOMMERCIAL CERTIFIED PESTICIDE APPLICATOR LICENSED IN THE
HEALTH-RELATED PEST CONTROL CATEGORIES**

(Please print or type.)

1. Sponsor Name _____
2. Name of Contact Person _____
3. Address _____
(Street) (City) (Zip Code)
4. Phone () _____

5. Please submit the following with this application:

- a. \$25 review fee **per continuing education course**
- b. A course outline including the time scheduled for each topic to be covered, and a description of course content;
- c. The names, addresses, and phone numbers of the instructors, and their credentials;
- d. The dates, times, and geographical locations of each activity; and
- e. Any additional information or material relevant to the activity which is requested by the department.

6. The application and information must be received by the department at least 90 days in advance of the first date of the activity. The department may waive the 90-day provision providing all other requirements are met.

7. The department shall approve, reject, or request additional information within 30 days of receipt of the application.

8. Each department approved continuing education activity shall be accredited for three years from date of approval. Sponsors who wish to continue accreditation must file for renewal 90 days prior to the end of the three year-period on a form provided by the department, which, in addition to the items listed above must include:

- a. The sponsor's name and phone number;
- b. The name of the activity and any changes in the activity; and
- c. Any changes in the courses or the instructors and their credentials.

Please Note: Additional information regarding department approved continuing education activities for recertification can be found in §267.8 of the department's rules for licensure of governmentally employed noncommercial pesticide applicators involved in health-related pest control, copy enclosed.
